# ♥ Brass

Our solid brass plates are the pride of our collection.

Nameplates are hand cast in our own foundry in Wrexham where we produce this high quality product using traditional methods.

Each plate is cast in solid brass hand polished and then hand painted to produce a totally unique product that will add substance to any home.

Your customers can order plates in various shapes sizes and colours via a sample display board, leaflet or voucher pack.

An extensive range of high quality solid brass number plates are available to stock.

We can provide merchandising solutions for these and all our stock numbers

# ♥ Aluminium

A chrome finish has become increasingly popular and our range of solid aluminium house numbers with a chrome finish are among our best sellers.

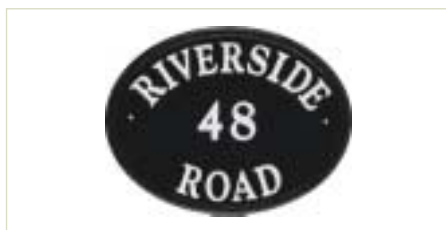

In oval, rectangular and bridge shapes our plates are available to stock.

House signs in solid aluminium with striking white lettering create a versatile range for your customers to select.

A choice of layout and with an added motif means that each sign is unique.

Customers can purchase a voucher pack or select from a leaflet or board displayed in store or part of a stand.
